

Fishing For Jori Open Bass Tournament

This fundraiser open bass tournament is benefiting Jori and Cvek family. Many of you know Jody and Cody Cvek through the multiple Central Florida bass clubs they have fished over the years and the help they have provided running the Black Friday, New Years Day & Valentine's Day opens out of Buzzard Beach. The Cvek Family is in need of financial help. On August 13th 2023 Jody and Jami's 22 year old Daughter Jori was hit by an uninsured 18 year old driver that was traveling at speeds approaching 100mph. The accident occurred just after midnight. He was driving with his lights off while running from the police. Jori was on life support and in a coma for over a week. She is still partially paralyzed on her right side and remains in a Neuro rehab center. She has a long road ahead of her.
